14th Annual Vista Golf Classic – June 1, 2019

➤ Dauphin Highlands Golf Course

Vista's 14th Annual Golf Classic at Dauphin Highland Golf Course will be a fun day of golf, networking, high-end raffles and a little friendly competition all benefitting children and adults living with autism. Vista provides state-of-the-art autism services across the Central Pennsylvania region. Last year we had over 120 registrants and this year we expect to exceed those numbers. Your valued participation in the 2019 Golf Classic will help Vista continue to advance, inspire and improve the lives of those with autism.
