VISTA EMPLOYMENT SERVICES

DANGER KEEP HANDS OUT

WARNING - NO ONE UNDER 18 MAY OPERATE THIS MACHINE - LEARNER

Less than 20% of individuals with a disability have competitive-integrated employment in PA.* Vista is an innovator in providing employment services to individuals with autism and we are changing the way employers view autism. Our team of professionals implement customized employment strategies to support individuals with autism and help them to secure paid positions.

Our Partnership with Businesses

We understand a company's desire to hire reliable, hard-working individuals. We can help by matching your business with the best candidate to meet your needs. We conduct community-based assessments that are scheduled in a variety of settings and include prospective business partners.

Active Positions

- Cart Attendant
- Warehouse Worker
- Janitor
- Scanning Clerk
- File Clerk
- Cutlery Steward
- Retail Employee

Job Training Initiatives

Our Community Integration Services provides instruction that is individually designed and targets skills most relevant to securing, enhancing, or maintaining job placement. Our staff closely examines specific themes of interest to the individual in order to identify their unique talents and

interests, environments they work best in, and desires for employment. We advise our Vista customers on:

- Exploring different classifications of work
- Learning the value of money and how it is acquired
- Enhancing supervisor and coworker interactive skills
- Building physical endurance enabling longer work days
- Appropriate work attire, hygienic behavior and safety skills

Success Story

James, Hersheypark® Retail Employee: "You show him how to make a bucket, and he makes hundreds of buckets, which is great for us because that's one of our top sellers, and he's helping to keep that in stock." –Mike Blackman, Manager of Retail, Hershey Entertainment & Resorts®

Unique potential is within reach.
