

I am interested in Vista ABA Services...

<p style="text-align: center;">Category I</p> <p>I have a written order with IBHS-ABA and another provider is filling hours at this time <i>*If BHRS services, will need updated written order</i></p> <p>STEP 1: Parent/caregiver requests transfer from current Provider.</p> <p>STEP 2: Current provider completes transfer form.</p> <p>STEP 3: If Vista can support request, Vista adopts current ITP from previous provider and initiates services.</p>	<p style="text-align: center;">Category II</p> <p>I have a written order with IBHS-ABA</p> <p>STEP 1: Prescriber can fax or parent can take/mail written order and provider choice form to choice provider when ready (for Vista, send information with attention to ABA Services)</p> <p>STEP 2: If Vista can support request, assessment period can begin (30 days) followed by written ITP (Individualized treatment plan), ITP meeting, Packet submission and approval. Services begin.</p>
<p style="text-align: center;">Category III</p> <p>I have a written order that needs updated</p> <p>STEP 1: Qualified prescriber UPDATES written order (written order good for 12 months) for services AND Provider choice form <i>*In the event of acute need, the written order can indicate immediately-services can be provided through assessment period.</i></p> <p>STEP 2: Prescriber can fax or parent can take/mail written order and provider choice form to choice provider when ready (for Vista, send information with attention to ABA Services)</p> <p>STEP 3: If Vista can support request, assessment period can begin (30 days) followed by written ITP (Individualized treatment plan), ITP meeting, Packet submission and approval. Services begin.</p>	<p style="text-align: center;">Category IV</p> <p>I do NOT have a written order</p> <p>STEP 1: Qualified prescriber COMPLETES written order (written order good for 12 months) for services AND Provider choice form <i>*In the event of acute need, the written order can indicate immediately-services can be provided through assessment period.</i></p> <p>STEP 2: Prescriber can fax or parent can take/mail written order and provider choice form to choice provider when ready (for Vista, send information with attention to ABA Services)</p> <p>STEP 3: If Vista can support request, assessment period can begin (30 days) followed by written ITP (Individualized treatment plan), ITP meeting, Packet submission and approval. Services begin.</p>
